

# DEVIL'S PLAYGROUND

## The 2018 “Devil’s Playground” Cabernet Sauvignon, Columbia Valley

This vintage of Devil’s Playground features Washington’s two premier Cabernet Sauvignon regions, Red Mountain and Walla Walla. The result of combining these two iconic regions is a wine featuring classic black fruits, like fresh black cherry, plum and blackberry. The palate showcases excellent depth with subtle hints of herb mingling with its ample fruit. The finish is dusted with Red Mountain’s signature acidity and minerality

## The 2018 Vintage

The 2018 growing season started off with a bang. Early hot and dry temperatures throughout the grape-growing regions of the state appeared to forecast a very compressed and early harvest. However, in September and October, the heat relented to normal levels, and the cool nights we’ve come to expect from that time of year, which allowed growers to hang fruit longer to gain balance and complexity. A classic vintage from Washington State.
